*(Door opening)*

*(Two sets of footsteps; one only takes a few steps before stopping, while the other continues a few steps further)*

**[MUMBO]**

...Hello? (*Snaps fingers*) Grian? You alright there?

**[GRIAN]**

Hm? Oh, yeah. I'm fine. I'm just... isn't it nice to be back?

**[MUMBO]**

I mean... it's pretty empty still. Also, dark. We didn't have to come over *right* after X said we'd be reopening, you know? Won't be properly up and running until Monday.

**[GRIAN]**

Well, I'm just happy to be back. I've missed this place! Didn't know what to do with myself with any work to do. I was a week away from reverting to putting rat poison in your coffee to liven things up a bit.

**[MUMBO]**

*Don't!*

**[GRIAN]**

*(Distractedly)* I won't, I'm just saying, don't leave your mugs unattended. It's a rookie mistake, Mumbo.

*(A third set of footsteps enters)*

**[PEARL]**

Goodness, Grian, what's the rush? You practically left me in the dust.

**[GRIAN]**

The both of you, I swear. Maybe I just want to get back to work! I feel like I've been *starving*.

**[PEARL]**

...Right. Say, Mumbo, you want to go find X and let him know we're here?

**[MUMBO]**

What, am I an *errand boy* now- ah, yes, fine, be right back.

*(Retreating footsteps)*

**[PEARL]**

Hungry?

**[GRIAN]**

...Sorry, what?

**[PEARL]**

You don't have to play dumb. I can tell! Like recognizes like, and all. Shall we?

**[GRIAN]**

*Please.*

## End Notes

another little supplemental, just to set us up a bit for our next stretch of statements! i've already mentioned it, but going forward the wait will be a little longer since i'm back in school, working an internship, AND i just got onto mcc island. hole in the wall will

consume me, sorry.

THOUGH an exciting thing- we are finally wrapping up casting for a full podfic version of these stories! so keep an eye out for that, once we're able to start recording and editing. i'm so excited for it. it's gonna be so good.
