(Background city noises; the sound goes strange and garbled for a moment before normalizing)

[IMPULSE]

(Yelling) Thanks, Zed!

(Footsteps, ascending stairs)

(Door opening)

[IMPULSE]

I'm back! Oh, hey-

[PEARL]

Impulse! You have *so much* explaining to do!

[SCAR]

(Stage whispering) Impulse, we're in just a *little* bit of trouble.

[PEARL]

More than a little bit! You *lost Grian!*

[IMPULSE]

What? He said- he's not back already?

[PEARL]

First you three just *vanish* for days on end, and now this! You're lucky I don't drop you into space for a couple days for not telling me what you were planning!

[IMPULSE]

Wait, didn't Grian tell you where we were going?

[PEARL]

He did *not*, and once we find him I'm going to *kill* him. And why did he invite Mumbo and not me, huh? What's wrong with me?

[SCAR]

I'm sure it wasn't anything personal! Maybe he just forgot.

[IMPULSE]

Tango said he told him he'd meet me back here. And nobody else who was there had seen him either...

I wonder if Etho would know?

[PEARL]

Etho?

[SCAR]

Waaaait, I didn't see Etho! Was he there?

[IMPULSE]

Yeah, Tango and I ran into him and his- friend, I guess? They were doing sort of the same thing we were doing, keeping an eye on what was happening. Or, uh, Etho's friend was keeping an eye. I guess. Because of the... yeah.

I don't know whether they'd know where Grian went, though. I didn't see them after everything ended. It seemed like they left pretty fast.

[PEARL]

Well, what are we supposed to do, then? Just wait for him to show up again?

[IMPULSE]

I guess? Scar, you were the last one of us who saw him in person, right? Any-

Actually, wait, first, I totally forgot until now- are you *okay*? Tango said you looked pretty hurt after the crash. I was worried.

[SCAR]

Aw, you perfect gentleman, you. I'm fine! Just a little bruised.

I don't know about Grian, though. I only saw him on- I think the second day? And we didn't talk for that long.

[IMPULSE]

And was he... Joel said he was acting weird.

[SCAR]

Weird how?

[IMPULSE]

Just... weird.

[SCAR]

Well, Grian's always pretty weird!

[IMPULSE]

I guess...

(Pause)

[SCAR]

Sooo... nose goes for who has to tell Xisuma we've lost Grian?

[PEARL]

*Hey, who exactly is *we*?*

where *could* he be?
