Summary

[GRIAN]

Hey, Scott! Uh, it's me. I found your other statement, the one about... anyways, I was just calling to see if you would be willing to answer some questions about it. I've tried a few times now to reach you, but you seem to be busy, so... well, just call me back when you get the chance.

Hi Tim!

Now, I *know* you didn't forget we were going to talk yesterday. And not even a funny excuse to make up for it! Honestly, I'm hurt.

...If you get this, shoot me a text or something so I know you've not tripped on your own shoelaces and died, please.

And if you've been in touch with Scott at all lately, could you let me know? I've been trying to reach him about a statement, but I'm not getting any responses.

... Hi, Lizzie. I know it's been awhile- Jimmy told me this was the best number for you. I'm trying to reach him and Scott, but I haven't been able to get a hold of either of them. If you get this, can you call me back? Thanks-
